

People drive
8x more miles
than they fly!

And even though
auto fatality rates

have been
decreasing for
decades...

But flying is
20x safer
than driving!

Be **SMART** this
holiday season:
When feasible, **FLY**
to your destination
instead of driving!

Fatalities/100M miles for all Domestic Airlines combined since 1985

airline ● American* ● Delta / Northwest* ● Southwest Airlines ● United / Conti... ● US Airways /
